# California Department of Education <br> School Accountability Report Card <br> Reported Using Data from the 2015-16 School Year 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2016-17)

At Innovations Academy (IA) charter school, we powerfully create our lives through self-expression, compassionate connection, and purposeful learning. Our constructivist-based K-8 school teaches through student-centered activities and project based or inquiry based learning. We utilize Positive Discipline techniques for classroom and campus behavior management.

At Innovations Academy, children learn in an environment that respects the intellectual, emotional, and social intelligence of all children. We use a multidimensional curriculum to support the innate human desire to learn.

For our home schooling families, Innovations Academy offers a 3-day program for grades K-2, and a 2-day program, known as the Home Learner Community, for grades K-8. Please visit our website for additional information about these programs

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

| Subject | Percent of Students Meeting or Exceeding the State Standards |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | School |  | District |  | State |  |
|  | 2014-15 | 2015-16 | 2014-15 | 2015-16 | 2014-15 | 2015-16 |

| Mathematics (grades 3-8 and 11) | 32.0\% | 30.0\% | 39.0\% | 42.0\% | 34.0\% | 36.0\% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| 7 | $19.0 \%$ | $47.6 \%$ | $11.9 \%$ |  |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

## Opportunities for Parental Involvement (School Year 2016-17)

At Innovations Academy, parents have many opportunities to be involved. We invite parents to attend their student's student-led conferences, presentations of learning, portfolio days, and exhibition nights. We welcome classroom volunteers, parent drivers and field trip chaperones.

To keep our parents informed, IA sends weekly school announcements through an automated calling system and classroom digital portfolios. Parents are always welcome to speak with the director, Christine Kuglen.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## School Safety Plan (School Year 2016-17)

IA's safety plan was drafted by school administration, in accordance with district and county education recommendations, with an adequate evacuation plan, lock down, fire and earthquake drills. A comprehensive school safety plan is located in the front office for parent review.

Adult supervision is provided in the classrooms and outside areas before and after school, and during lunch and recess. Under the supervision of the director, school staff members implement specific school-building security procedures. All students are supervised by staff members or volunteers with background checks.

IA supports student learning in a variety of ways. We offer enrichment classes such as Nature Studies, Gardening, Robotics, Performing Arts, Fine Arts, American Sign Language, and Foreign Language. All of our classrooms have a full-time teacher assistant (in addition to the regular credentialed teacher).

Innovations Academy has a strong social emotional program. Our campus wide behavioral system is based on Jane Nelsen's Positive Discipline and The Responsive Classroom.

Special Education students are served by Speech Language Pathologists, Assistive Technology, Adaptive PE, Occupational Therapists, School Psychologists, and Education Specialists.

## Professional Development

IA's professional development is ongoing throughout the year via weekly staff meetings, collegial collaborations, professional development work days, and educational workshops. These sessions focus on project development, differentiating instruction to meet the needs of all students, Positive Discipline and Responsive Classroom trainings, and improving teachers' practices.

Each school year there are 18-20 days of professional development and the majority of these staff days are held during the summer and are site based.
Organizations such as the Education Transformation, Positive Discipline and others come to the campus to provide whole school staff trainings, in addition to staff traveling to attend off site conferences and trainings.
