Children, Spirituality, and Social Justice: *Let THEIR Voices Be Heard*

CIIS PhD Candidate is conducting research for a dissertation called: *"In Their Own Words: An Inquiry into Children's Visions of Spirituality and Community."* This research will interview children in individual and group format and ask about their views on spirituality, community, and social justice. Interviews will be held in Chula Vista and in local libraries, and ask for a 4-hour total commitment. This research is looking for children from a variety of backgrounds and belief systems who are willing to share their thoughts with others who may/may not have similar beliefs. Art supplies and journals provided.

Research Dates: February 22- March 22, 2014

2 Group Interviews in Chula Vista
(Saturdays—Feb 22 & March 22, 2014)

&

2 Individual ½ hour Interviews at your local library
(TBA)

Please contact me by February 14th if you have interest or questions!!!!
