

Before Care at Innovations Academy

Innovations Academy believes that with freedom comes responsibility. We consider our campus to be a place where students are given many choices. We also believe in safety and supervision. We need your support in communicating with all family members the following procedures for our before care program.

1. Before care begins at 7:00 a.m. No child is to be dropped off before 7:00 a.m.
2. All students arriving on campus between 7:00-8:45 a.m. are required to sign into before care, whether enrolled or not.
3. All students arriving before 8:45 a.m. will be asked to enroll in the before care program.
4. All students arriving on campus will sign in and be automatically placed in the before care program.
5. All people coming to campus in the morning will enter the campus through the front main gate.
6. All students on campus at any time before school begins are required to follow the instructions given by all staff members. Staff members include teachers, teacher assistants and office staff.
7. If a student ignores or defies instructions given by staff before school, they will not be allowed on campus prior to 8:45 a.m. for one week.
8. If they demonstrate a continual inability to follow instructions, they will be asked to stay home until 9:00 a.m. and escorted onto campus by their parent.

Thank you for your care and attention to this matter.
