Cody's Keyboard Club has a diverse collection of music for students at every level of ability and interest. The students choose their own music from a wide variety of familiar songs including:

- Music for beginners, intermediate, advanced
- Extensive selection of popular tunes
- If I don't have a song, I will get it
- I also have an advanced Blues course for highly motivated students.
- **The 3-hour expanded class will allow time for individualized instruction.**

Cody's Keyboard Club has proven itself to be an excellent introduction to playing music for beginners, and a springboard for advanced students.

It is a "go at your own pace" program in a pressure-free club-like environment. Classes are designed to be a pleasurable experience that lead to a lifetime of enjoying and appreciating music.
