**Cody's Keyboard Club has a diverse collection of music for students at every level of ability and interest. The students choose their own music from a wide variety of familiar songs including:**

- **Music for beginners, intermediate, advanced**
- **Extensive selection of popular tunes**
- **If I don't have a song, I will get it**
- **I also have an advanced Blues course for highly motivated students.**
- **Friday's 3-hour expanded class will allow more time for individualized instruction.**

**Cody's Keyboard Club has proven itself to be an excellent introduction to playing music for beginners, and a springboard for advanced students.**

**It is a "go at your own pace" program in a pressure-free club-like environment. Classes are designed to be a pleasurable experience that lead to a lifetime of enjoying and appreciating music.**

**Playing piano is so much fun. Learning to play music is known to**
