*An Inquiry Based K-8 Public Charter School*

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

At Innovations Academy (IA) charter school, we powerfully create our lives through self-expression, compassionate connection, and purposeful learning. Our constructivist-based K-8 school teaches through student-centered activities and inquiry focused learning which includes projects, performance and other interactive learning. We utilize a relationship based discipline program for classroom and campus behavior management and skill building.

At Innovations Academy, children learn in an environment that respects the intellectual, emotional, and social intelligence of all children. We use a multidimensional curriculum to support the innate human desire to learn.

At least 80% of our population attends school in a progressive five day structure. Additionally, for home schooling families, Innovations Academy offers a 3-day program for grades K-2, and a 2-day program, known as the Home Learner Community, for grades K-8. Please visit our website for additional information about these programs.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

At Innovations Academy, parents traditionally have many opportunities to be involved. We invite parents to attend student-led conferences, presentations of learning, portfolio days, and exhibitions of student work. We welcome classroom volunteers, parent drivers and field trip chaperones. However, this year has been different due to COVID-19 and the safety measures put in place. We have continued to involve parents even though they are not able to come on campus by having off-campus volunteer opportunities & various committees meet on Zoom. We have a very active parent group, called the Parent Connection, that sponsors several social activities each year and supports internal school activities as well. They have continued to meet on Zoom. There are also opportunities to participate in school site meetings and LCAP development. For information about volunteering at school, parents can come to the front office or contact [info@innovationsacademy.org](mailto:info@innovationsacademy.org) or the Parent Connection.

To keep our parents informed, IA sends weekly school announcements through an automated contact system (via email, text and voice) and teachers communicate via ParentSquare. Parents have ongoing access to teachers. Parents are always welcome to speak with the director, Christine Kuglen, who also hosts weekly drop-in office hours to connect with parents.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

#### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.08	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The safety plan at Innovations Academy is drafted annually by school administration in accordance with district and county education recommendations and contains an evacuation plan, lock down, fire and earthquake drills. The drills take place monthly and are reviewed regularly with staff. A comprehensive school safety plan is located in the front office for parent review. The safety plan was last reviewed and approved on October 26, 2021.

Adult supervision is provided in the classrooms and outside areas before and after school, and during lunch and recess. Under the supervision of the director, school staff members implement specific school-building security procedures. All students are supervised by staff members or volunteers with background checks.

## 2020-21 Types of Services Funded

Innovations Academy provides a variety of resources to our students. Much of the learning software used at school is also made available to students at home. Innovations Academy has a strong social emotional program with tools integrated from Positive Discipline, Responsive Classroom, Nonviolent Communication, and Restorative practices. All students learn conflict resolution and communication tools through this solution focused curriculum and discipline plan. Our staff includes a full time Marriage & Family Therapist to assist students and families. Our grade levels have teacher assistants (in addition to the regular credentialed teacher).

We intentionally do not assign homework. The purpose of this is to assist students in experiencing more meaningful time with their families, provide needed free play for children to grow and be outdoors and allow children to participate in activities and classes outside of school without the stress of returning to more work when they should be sleeping, laughing and learning with their families.

IA supports students by providing access to learning that takes into account a variety of student interests. Our students participate in projects and inquiries that integrate subjects in meaningful explorations. They speak regularly with guest experts who utilize the subjects they are studying. They engage in service learning, often working with non-profit organizations as part of their studies. We also currently offer the following enrichment classes: Nature Studies, Robotics, Performing Arts and Foreign Language.

Special Education students are served by a strong team of experts that includes: a Speech Language Pathologist (+ a SLPA), an Occupational Therapist (+ an OT aide), a School Psychologist, an Adaptive PE teacher, a Marriage & Family Therapist and Education Specialists.

Professional Development

At Innovations Academy, we consider professional development as ongoing throughout the year via weekly staff meetings, grade level team collaborations, professional development work days, and educational workshops. These sessions focus on constructivism, inquiry, project development, academic content, assessment, differentiation of instruction to meet the needs of all students, classroom management and our social emotional curriculum.

An administrator observes teachers throughout the week, providing the necessary feedback teachers need to both feel supported and to experience growth and reflection in their craft. Teachers are provided time to observe each other and collaborate regularly during the school day. Our professional development focus areas include math, ELA, test-taking success strategies, and interactive learning.

This table displays the number of school days dedicated to staff development and continuous improvement.
