TK & K Data Report

The Expanded Learning Opportunities Program (ELO-P) TK & K Report is designed to capture data from each Local Educational Agency (LEA) and learn how their ELO Program is designed to provide access to TK/K students. Below, LEAs will input responses about their third party providers, non-LEA sites and how many TK/K students are accessing the program. Make sure to complete each section fully, accurately and by January 26, 2024.

Definitions:

- **Third Party Provider** includes any entity that the LEA is contracted with to provide expanded learning opportunity programs.
- **Non-LEA Site** includes a physical location other than a school campus associated with the LEA.
- **Provide Access** is met by showing the appropriate number of classroom-based pupils were enrolled in the program. A pupil that has an enrollment form signed by a parent and/or guardian on file, will be considered enrolled in the program.
