

Crossover Home Reading Calendar

Please use the following calendar to guide your progress as you share this wonderful novel in verse with your child. The goal is for you to read this book as a family and discuss it as a family. We'd love to hear what subjects it brings up for you. Did your parents give you a nickname? Have you experienced frustration with a loved one? Have you ever lost someone you cared about deeply? Are there any rules that you follow for life? Students will be asked questions about the assigned sections at school on Mondays, so it's important to stay on schedule.
