 Cuisines of the World: Level Up Your Cooking Skills	June 22nd-25th 9-2:00	4th-8th	\$300 per student	nora@innovationsacademy.org	<p>Designed for students in grades 4–8 who already know the basics and are ready to grow in the kitchen, this immersive, hands-on camp takes cooking and baking to the next level. Each day from 9:00 AM–2:00 PM, campers will “travel” to a different country, preparing authentic dishes completely from scratch while learning about the culture, geography, and traditions behind the food. With only 10 students, participants will refine advanced skills such as knife techniques, dough making, sauce building, baking precision, and plating presentation. Students will enjoy the meals they create and take home a mini “Around the World” cookbook, a custom apron with earned passport badges from each country visited, and real confidence and experience in the kitchen. Tuition: \$350 per student.</p>
Camp Adventure	June 15th-19th	6th-8th Grade	\$500 per student	nora@innovationsacademy.org	<p>This is not a sit-around camp. San Diego Adventure Camp is designed for students who are ready to move, explore, and challenge themselves. Each day brings a new outdoor adventure as campers build real-world skills through hiking, paddling, navigation challenges, survival basics, and team-based activities.</p> <p>Throughout the week, students will develop confidence, resilience, leadership, and grit while staying active in a safe, guided environment. This camp is built for those who are energetic, adventurous, and ready to push themselves while having an incredible amount of fun.</p> <p>The experience culminates in a final overnight campout, where campers will put their new skills</p>

					to use and celebrate a week of growth, teamwork, and outdoor adventure.
